

Ciao, and Welcome to Sarracino

Our family-run Italian restaurant nestled in the heart of West Hampstead, just off West End Lane.

We've been serving up delicious food since 2004, and we're proud to say that we've kept all of our original recipes. We use only the finest Italian ingredients, so you can expect an authentic dining experience that will transport you straight to Italy. Our chefs are all experts in Italian cuisine, having studied and trained in the beautiful city of Naples, famous for its incredible pizza, and we're happy to say that our chefs know how to make the best pizza in Italy. When you step into our restaurant, you'll be greeted by warm, welcoming interiors that reflect our Italian heritage. The walls are adorned with beautiful art and photographs, and the cozy lighting creates a relaxing atmosphere. We take great pride in creating an ambiance that makes our guests feel at home.

We offer two types of menus to make sure you get the best dining experience with us. We have a fixed menu and also change things up every week to bring you the freshest seasonal dishes. Plus, we have a range of delicious special starters to choose from! One of our most popular ones at the moment is the fresh buffalo mozzarella served with either Parma ham or avocado and fresh tomatoes. Yum!

Fresh Buffalo Mozzarella

Buffalo Mozzarella served with Avocado OR with Parma Ham

£11.95

Buffalo mozzarella is a mozzarella made from the milk of the buffalo. It is a product traditionally produced in Campania, especially in the provinces of Caserta and Salerno.

The term mozzarella derives from the procedure called mozzatura which means "cutting by hand", that is, the process of separation of the curd into small balls. It is appreciated for its versatility and elastic texture and often called "*the queen of the Mediterranean cuisine*", "*white gold*" or "*the pearl of the table*".

Burrata

Burrata served with Avocado OR with Parma Ham

£13.95

Burrata is a fresh Italian cheese made from mozzarella and cream. The outer shell is solid mozzarella, while the inside contains both mozzarella and cream, giving it an unusual, soft texture.

Burrata is a typical product of the Murgie in Puglia, a region in the south of Italy. It is produced from Italian buffalo's and/or cow's milk and cream. The flavour and different textures of the inside and outside make it go well with salad, prosciutto crudo, avocado, fresh tomatoes with olive oil and cracked black pepper.

Please be aware that our dishes are prepared in kitchens where nuts, gluten etc. are commonly used. Unfortunately, our dishes may contain traces of these products.
